

# AVALANCHE

## DUAL PERSONALITIES. BOTH YOURS.

It's your ultimate utility vehicle, refined. Start with Avalanche versatility—go from an SUV to a full-sized pickup in less than a minute\*\*—and now add your own personality to both its personalities. Whether your lifestyle calls for molded assist steps and a brush grille guard, or if you are looking for stylish chrome door handles and chrome fuel door, you'll find it all right here with genuine Chevy Accessories designed, engineered, and manufactured to the exact specifications of your Avalanche.

**20-INCH WHEELS\***  
Personalize your Avalanche with these attractive 20-inch chrome accessory wheels validated to GM specifications. Available with matching center caps and lug nuts.

\* GM Accessory larger-size wheel and TPC tire systems are designed as a system and must be used as such. Larger-size wheel and tire system may require a new spare tire, and may impact your vehicle's performance. For example, depending on road surface and driving conditions: You may experience a change in handling, stability, and braking performance, tire or road noise, and ride comfort. You may note an increase in tire tread wear and/or steering effort, and a decrease in fuel economy. In snow or icy conditions or during off-road use, you will experience reduced traction. Tire chains cannot be used due to insufficient clearance for the chains, and your vehicle will not be compatible with snowplow equipment. These changes in vehicle performance are not covered by the GM Bumper-to-Bumper New-Vehicle Limited Warranty.

\*\* Cargo and load capacity limited by weight and distribution.

Avalanche shown with available 20-inch chrome accessory wheels.

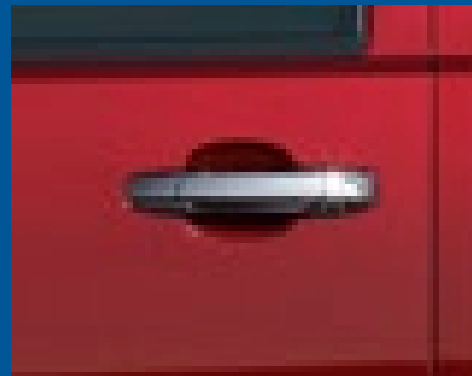

**CAT-BACK PERFORMANCE EXHAUST SYSTEM\***  
Constructed of T-304 stainless steel with free-flowing mandrel bent tubing. Features semi-polished muffler with a distinctive sound that meets all federal decibel requirements. Touring (more aggressive than stock) and Performance (much more aggressive than stock).

**EXHAUST TIP\*\***  
Made from highly polished, T-304 stainless steel, embossed with Chevy Bowtie logo. For use with GM Production Exhaust Systems.

**PERFORMANCE AIR INTAKE†**  
Hear the rush when you add this highly polished aluminum performance air intake to your Avalanche. Its clearcoat finish is maintenance-free, and its free-breathing air filter does not require oil, an additive that could interfere with computer sensors. The aluminum lid is Vapor Metal Coated (VMC) for a durable, highly polished look, and features the GM Performance Parts logo.

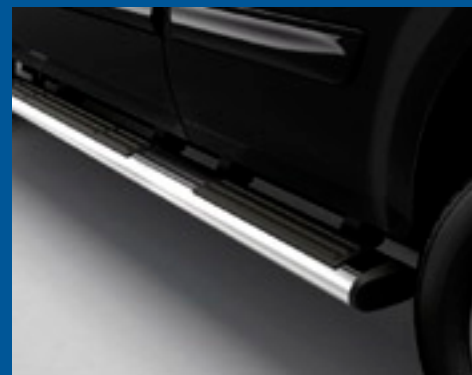

**CHROME OUTSIDE DOOR HANDLES**  
Add a luxurious touch to your Avalanche with these stylish chrome door handles to replace the stock models.

**GRILLE**  
Another way to give your truck a distinct appearance, the insert features a chrome surround with several body-color mesh selections.

**CHROME FUEL DOOR**  
Personalize the exterior of your Avalanche with this attractive chrome fuel door.

**6" OVAL ASSIST STEPS**  
Stylish tubular assist steps help make it easier to get in and out of your Avalanche. Stainless steel construction has a lustrous chrome finish with textured polymer step pads to provide traction for added safety.

\*The Cat-Back Exhaust System meets the 95 dbA noise limit imposed by some states on exhaust-system modifications, as measured by SAE J1169. Some states and local jurisdictions impose more stringent requirements. Be sure to check whether this aftermarket installation meets the noise limits where you will register and drive your vehicle. \*\*When properly installed, this system will comply with local and state noise ordinances limiting noise from modified exhaust systems to 95 dbA. See your dealer for more details. †The driver is responsible for compliance with all local noise ordinances and may be fined where the air intake system exceeds local decibel limits. ††Hooks are for vehicle recovery only. To avoid the risk of injury, never use recovery hooks to tow the vehicle. For more information, see the "Recovery Hooks" section of your GM Owner's Manual.

**MOLDED HOOD PROTECTOR**   
Deflect minor road debris and insects while helping to shield the hood of your Avalanche from stone chip damage with this custom-designed molded hood protector that provides precise fit by following your hood's contour. Available in Smoke, chrome, or select body colors. Not compatible with brush grille guard.

**"TOW" HOOKS††**  
Add functionality and/or enhance the appearance of your vehicle with black or chrome "tow" hooks.

**OUTSIDE REARVIEW MIRROR COVERS**  
Help your Avalanche make a fashion statement with our outside rearview mirror covers in chrome or select body colors.

**BRUSH GRILLE GUARD**  
Add some attitude to your Avalanche with this brush grille guard. Features a tough, molded center section and chrome tubes for wraparound headlamp protection.

**POWER TONNEAU COVER**  
Customize your Avalanche and improve rear access with a power sliding tonneau cover. Remotely open and close the bed area of the truck with a push of a button that is located conveniently on your key fob.

**PORTABLE DVD PLAYER AND DOCKING STATION**  
Portable DVD player integrates into overhead system for on- and off-road use. Includes two wireless headphones and remote control. Must be used with docking station. Docking station secures portable DVD player. Includes front-seat override control and dome lights, color to match headliner trim.

**REMOTE START**  
By pressing a button on the key fob, the remote start system starts your parked vehicle from nearly 200 feet away. Great for pre-warming or pre-cooling your vehicle. Seamlessly integrated with your vehicle's anti-theft and remote keyless entry systems.

**XM SATELLITE RADIO\***  
XM Satellite Radio has the most commercial-free music in satellite radio. Digital-quality sound with coast-to-coast signal coverage.

**NAVIGATION RADIO**  
The navigation radio utilizes Global Positioning System (GPS) technology and is seamlessly integrated into your vehicle. Features a single-slot player for the navigation CD/DVD, AM/FM/XM\*\* Satellite Radio, and 6.5-inch LCD touch screen.

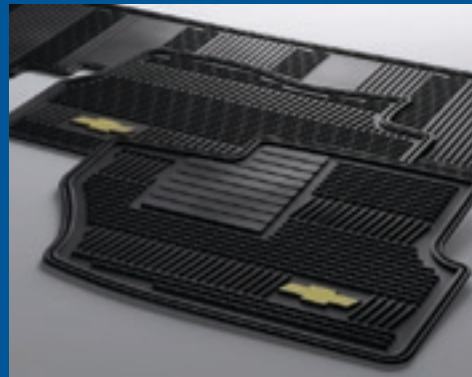

**NOISE-CANCELING HEADPHONES**  
Give yourself the ultimate in on-the-road sound entertainment in your Avalanche with these wireless, dual-channel noise-canceling headphones! Co-branded with KOSS®, they use Active Noise Reduction (ANR) technology to reduce road and engine noise and carry a Lifetime Limited Warranty.

\*XM is available in the 48 contiguous United States. Service fees apply. Visit [gm.xmradio.com](http://gm.xmradio.com) for details.  
\*\*If vehicle is XM-equipped.  
†Not for use by driver while the Avalanche is in motion.

 **DUAL DVD HEADREST SYSTEM**  
Make time fly for your rear-seat passengers with a DVD rear entertainment system. The dual DVD headrest system features two 7-inch color monitors, two top-loading DVD/CD/MP3 players, two wireless headphones, and one remote control. Each adjustable headrest unit includes audio-visual (AV) input/output and wired headphone jacks.

**SIDE-WINDOW WEATHER DEFLECTORS**

Let fresh air in and help keep rain, sleet, and snow out with these custom-molded, side-window weather deflectors. Available in Smoke and select body colors.

**PREMIUM ALL-WEATHER FLOOR MATS**

These floor mats conform to the floor of your Avalanche. They feature a custom, deep-patterned grid designed to help collect rain, mud, snow, and debris. Nibs on the back help hold them in place.

**CONVENIENCE NET**

Secure items in the bed of your vehicle with utility restraint netting. This unique net system extends across the width of your truck bed and features an envelope-style net to help retain cargo\* properly. Can be located near the tailgate or behind the cab.

**BED EXTENDER**

Stretch the capacity\* of your cargo bed with this bed extender. Compatible with the tonneau covers, it swings out to provide additional functional length over an open tailgate or swings in to create a contained cargo area.

**HITCH-MOUNTED BICYCLE CARRIER\***

This carrier holds up to four bicycles and easily fits into your vehicle's hitch. Hand-operated tilt-down lever allows access to the bed area without removing the carrier. Requires license plate holder.

**HITCH-MOUNTED SKI CARRIER\***

This carrier holds up to five pairs of skis or four snowboards, depending on equipment style. Hand-operated tilt-down lever allows access to the bed area without removing carrier. Requires hitch-mounted bicycle carrier and license plate holder.

\*Cargo and load capacity limited by weight and distribution.

Avalanche shown with trailer hitch.

Avalanche shown with 6" oval tubular assist steps, 20-inch chrome accessory wheels\*, chrome fuel door, and chrome door handles.
