

CANYON ACCESSORIES

PROFESSIONAL-GRADE ACCESSORIES TO SUIT YOUR LIFESTYLE.

With the wide variety of available dealer-installed GMC accessories shown on these pages, you can outfit your Canyon with the exact equipment you need to suit your lifestyle.

FOLDING HARD TONNEAU COVER

A lockable hard tonneau cover provides extra security and protection for your cargo.

TOOLBOX

This diamond-patterned aluminum toolbox can handle up to 250 lbs** of storage. Includes dual gas shocks for smooth opening and closing. Features Ruby Red GMC logo.

BED EXTENDER

Compatible with bedliners and tonneau covers, the bed extender swings out to provide additional functional length over an open tailgate, or swings in to create a contained cargo area.

CAT-BACK EXHAUST SYSTEMS

Constructed of T304 stainless steel, with distinctive sounds that meet federal decibel requirements!

EXHAUST TIPS

Add a sporty appearance to your Canyon with these stainless steel exhaust tips. For use only with GM Performance Parts Exhaust Systems.

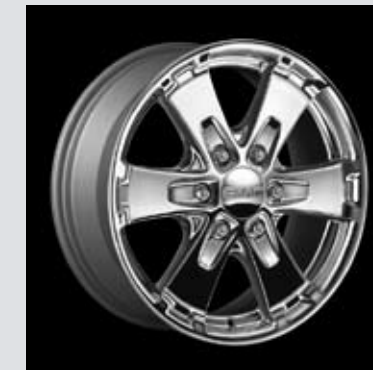

ST204

18-INCH CHROME WHEELS*

Personalize your Canyon with these attractive 18-inch chrome wheels. They are available in several six-spoke designs with matching GMC center caps.

ST400

ST207

MOLDED SPLASH GUARDS

Help guard your Canyon against splashes and mud with these heavy-duty molded splash guards. Available in Dark Smoke Gray with GMC logo.

MOLDED ASSIST STEPS

These sturdy, corrosion-resistant assist steps are textured on top for traction as they help you ease your way in and out of your Canyon.

TUBULAR ASSIST STEPS

Tubular assist steps add a custom touch to your Canyon. The tubular bars feature rough-textured step pads and hidden welds, and are available in chrome or brushed aluminum.

SOFT TONNEAU COVER

An aluminum frame securely attaches the cover to the bed, and an exclusive clamp system lets you open the tailgate with the cover on.

TAILGATE PROTECTOR

This stylish and functional tailgate protector features a patterned surface.

* GM Accessory larger-size wheel and TPC tire systems are designed as a system and must be used as such. Larger-size wheel and tire system may require a new spare tire, and may impact your vehicle's performance. For example, depending on road surface and driving conditions: You may experience a change in handling, stability, and braking performance, tire or road noise, and ride comfort. You may note an increase in tire-tread wear and/or steering effort, and a decrease in fuel economy. In snow or icy conditions or during off-road use, you will experience reduced traction. Tire chains cannot be used due to insufficient clearance for the chains, and your vehicle will not be compatible with snowplow equipment. These changes in vehicle performance are not covered by the GM Bumper-to-Bumper New-Vehicle Limited Warranty.

** Cargo and load capacity limited by weight and distribution.

† When properly installed, this system will comply with local and state noise ordinances limiting noise from modified exhaust systems to 95 dbA. See your dealer for more details.

Canyon Extended Cab in Silver Birch Metallic shown with folding hard tonneau cover, tubular assist steps, and 18-inch chrome accessory wheels.*

**BED RAIL PROTECTORS**

Add style and function to your Canyon with these easy-to-install, molded bed rail protectors that feature a patterned surface.

**MOLDED HOOD PROTECTOR**

Deflect minor road debris and insects while helping to shield the hood of your Canyon from stone chip damage with this custom-designed molded hood protector. Follows your hood's contour for a precise fit.

**SIDE-WINDOW WEATHER DEFLECTORS**

Let fresh air in and help keep rain, sleet, and snow out with these side-window weather deflectors. Custom-molded to fit your Canyon, they help reduce wind noise and sunlight glare.

**CONTOUR SPLASH GUARDS**

Gain maximum protection from splashes and mud with these easy-to-install contour splash guards for your Canyon. Feature the GMC logo.

**FENDER FLARES**

Give your Canyon a more aggressive appearance with the custom-molded design of these fender flares that fit the contour of your vehicle. Shrink, fade, and crack resistant. Available in smooth color-keyed or textured gray finishes.

**CHROME FUEL DOOR**

Personalize the exterior of your vehicle with this attractive chrome fuel door.

**MOLDED CARPET FLOOR MATS**

Specially treated to repel water, these floor mats feature high-quality construction for long-lasting durability. Front mats feature the GMC logo.

**ALL-WEATHER FLOOR MATS**

Premium all-weather front floor mats conform to the interior of your Canyon. Their custom-designed, deep-patterned grid collects rain, mud, snow, and debris.

**UNDERBODY SHIELD**

Protect your vehicle's underbody with this underbody shield. Made of thick, durable material for protection and custom-designed for exact fit and easy installation.

**PERFORMANCE AIR INTAKE**

The free-breathing air filter does not require oil, which can interfere with computer sensors. The aluminum lid has the GM Performance Parts logo and is VMC'd (Vapor Metal Coated) for a durable and highly polished look.

**BRUSH GRILLE GUARD**

Add some attitude to your Canyon with this brush grille guard. Wraparound chrome tubing helps provide headlamp protection. The custom-molded center section features the Canyon logo.

SPORT TENT

Use this lightweight, water-resistant nylon sport tent to convert your Canyon into a camper in minutes. Designed specifically to fit your vehicle's contours, it features a form-fitted waterproof floor that extends onto the tailgate.

AIR MATTRESS WITH BUILT-IN PUMP

A quick and convenient built-in pump eliminates the need for a bulky external model. Designed for use with your vehicle or in your home to accommodate unexpected guests.

BED RUG

Designed specifically for the contours of your Canyon, this fiber bed rug resists water, stains, solvents, and chemicals. Its molded foam backing helps protect your truck bed from scratches. Features the GMC logo.

BED MAT

Reduce cargo shifting with this easy-to-install, non-skid rubber bed mat designed to fit the contours of your Canyon precisely. Fully ribbed construction helps protect your cargo* and the truck bed and simplifies cleaning. Withstands extreme temperatures. Tailgate liner available separately.

*Cargo and load capacity limited by weight and distribution.

BED WEB NET

Help contain loose large, lightweight items in your Canyon with this heavy-duty bed web net. Stretchable cords radiate from a stainless steel center ring, focusing the net's strength at the center of the load where it's needed. Includes mounting hardware for easy installation.

BELOW-THE-RAIL BEDLINER

Fully ribbed construction of this below-the-rail bedliner helps protect the bed of your Canyon. Extends up and under the bed rails, simplifies cleaning, and allows airflow to help eliminate moisture. Skid-resistant floor minimizes load shifting.*

**WHEEL LOCK KIT**

Help deter wheel thieves from your Canyon with this special puzzle-design lock kit.

**HITCH-MOUNTED SKI OR SNOWBOARD CARRIER***

Holds up to five pairs of skis or four snowboards, depending on equipment style. Hand-operated tilt-down lever allows access to the cargo area. Requires hitch-mounted bicycle carrier and license plate holder.

**HITCH-MOUNTED BICYCLE CARRIER***

This hitch-mounted bicycle carrier fits easily into the hitch on your Canyon to hold up to four bicycles. A hand-operated tilt-down lever allows access to the cargo area without removing the carrier. Requires a hitch-mounted license plate holder.

**BICYCLE AND SKI CARRIER WALL STORAGE UNIT**

Mounts to any wall surface for convenient storage of your bicycle or skis when not in use. Easy to install within minutes. Includes all hardware.

**HITCH RECEIVER COVER**

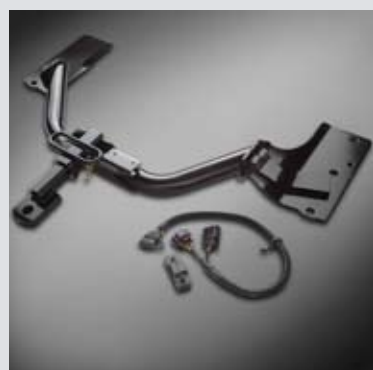

This custom-molded hitch receiver cover fits into the trailer hitch receiver for your Canyon to hide the receiver opening after you have removed the ball-mount assembly. Features the GM logo.

**HITCH BALL-MOUNT ASSEMBLY****

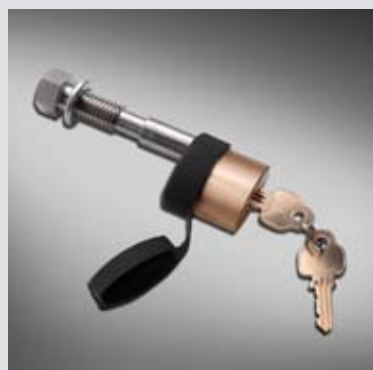

Ball-mount package contains the tubular steel welded ball mount, retainer pin, and clip for easy installation and removal. Available in three different height offsets to meet your towing needs.

**HITCH BALL ASSEMBLY****

This trailer hitch ball assembly for your Canyon includes a chrome tow ball, a washer, and a retaining nut designed to fit a ball-mount assembly, sold separately. Tow ball available in various sizes.

**HITCH TRAILERING PACKAGE****

This welded structural steel hitch trawling package for your Canyon features a standard receiver that fits most ball-mount assemblies. Includes a wiring harness.

**LOCKING HITCH PIN**

Help protect the trailer hitch carrier products for your Canyon with this heavy-duty trailer locking hitch pin. Securely locks your ball-mount assembly or your hitch-mounted bicycle or ski carrier to your vehicle's trailer hitch receiver.

**TRAILER WIRING HARNESS ADAPTER**

Use your trailer wiring harness outlet to power other devices through custom-designed trailer wiring harness adapters.

Canyon shown with available trailer hitch and tubular assist steps.

*Cargo and load capacity limited by weight and distribution.

**Maximum trailer-weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers, and cargo will reduce the maximum trailer weight your vehicle can tow.
