

Sierra Classic features available chrome fuel door, tubular assist steps, outside rearview mirror cover, 20-inch accessory chrome wheels,* front-end cover, chrome door handles, and chrome bodyside molding.

FRONT-END COVER

Help protect the body paint of your Sierra from minor road debris and insects with this front-end cover, including a hood cover. Made of breathable material with soft backing, it lets you open the hood without having to remove the protective pieces.

FENDER FLARES

Give your Sierra a more aggressive appearance with the custom-molded design of these fender flares that fit the contours of your vehicle. Shrink-, fade-, and crack-resistant. Available in smooth color-keyed or textured black finishes.

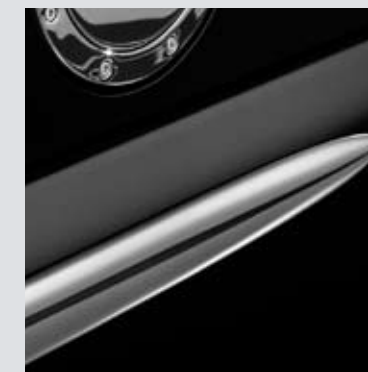

TUBULAR ASSIST STEPS

Stylish tubular assist steps make it easier to get in and out of your Sierra. Constructed of high-strength stainless steel, they have traction-gripping step pads on the top surfaces. Available in chrome or black painted finishes.

CHROME "TOW" HOOKS**

Add style and functionality to your Sierra with these attractive, fully integrated "tow" hooks.

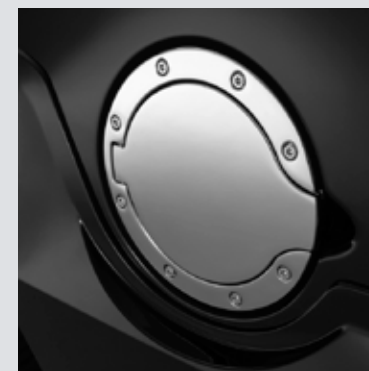

CHROME BODYSIDE MOLDING

Add accent styling and protection to your Sierra with this bodyside molding package designed for easy installation.

CHROME MIRROR COVERS

Help your Sierra make a fashion statement with our outside rearview mirror covers in chrome or color-keyed to suit your taste.

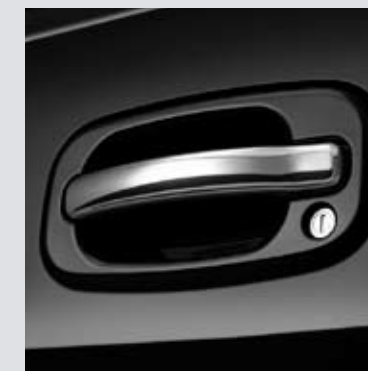

CHROME FUEL DOOR

This fuel door features a gleaming chrome finish, low-profile design, and rivets that add a race-inspired character to your Sierra.

POLISHED STAINLESS STEEL EXHAUST TIPS

Single- or dual-walled tips made from highly polished, T304 stainless steel and available in straight or angle cuts. For use only with the GM Performance Parts Exhaust System.

CHROME DOOR HANDLES

These chrome door handles replace the standard body-color models to give your Sierra a stylish and personalized look.

*See page 21 for important wheel/tire information.

**Hooks are for vehicle recovery only. To avoid the risk of injury, never use recovery hooks to tow the vehicle. For more information, see the "Recovery Hooks" section of your GM Owner's Manual.

REAR SLIDING WINDOW
Add convenience and comfort to the cab of your Sierra with this rear sliding window.

POWER SLIDING REAR WINDOW
Upgrade your manual sliding rear window with this power model.

NOISE-CANCELING HEADPHONES*
These headphones help lessen road and engine noise for a more satisfying movie- or concert-like listening experience.

XM SATELLITE RADIO**
XM Satellite Radio features the most commercial-free music in satellite radio with digital-quality sound with coast-to-coast signal coverage.

MOLDED CARPET FLOOR MATS
The moisture barrier and raised edges of these molded carpet front floor mats help keep mud, snow, and debris contained for easy cleaning.

CAMPER MIRRORS
These mirrors are convenient when you're getting away from it all. They feature wide field-of-vision mirrors that manually extend an additional 4 inches, making it easier to maneuver your camper or trailer.

UNDERBODY SHIELD
Help protect the structure of your Sierra with this thick and durable underbody shield that is custom-designed for exact fit and easy installation.

TOOLBOX
This diamond-patterned aluminum toolbox can handle 250 lbs† of storage. Includes dual gas shocks for smooth opening and closing. Features GMC logo.

MOLDED ASSIST STEPS
These sturdy, corrosion-resistant molded assist steps are textured on top for traction as they help you ease your way in and out of your Sierra.

PREMIUM ALL-WEATHER FLOOR MATS
These premium all-weather front floor mats conform to the interior of your Sierra. Their custom-designed, deep-patterned grid helps collect rain, mud, snow, and debris.

CONTOUR SPLASH GUARDS
Gain maximum protection from splashes and mud with these easy-to-install contour splash guards for your Sierra.

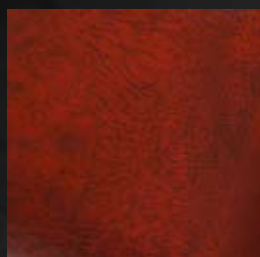

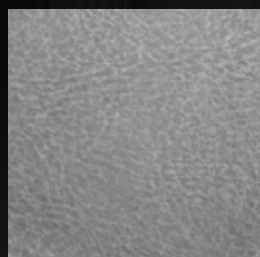

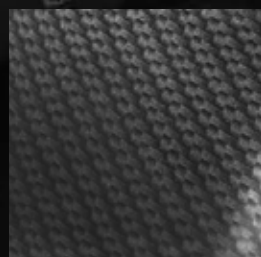

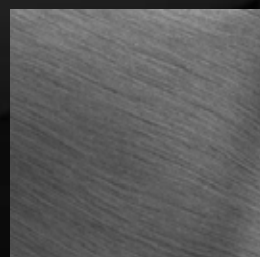

FOG LAMPS
The illuminating beam of these fog lamps reduces glare to help add safety and security to your driving experience.

SIDE-WINDOW WEATHER DEFLECTORS
Let fresh air in and help keep rain, sleet, and snow out with these side-window weather deflectors. Custom-molded to fit your Sierra.

TAILGATE PROTECTOR
This innovative accessory helps reduce wind drag over the tailgate of your Sierra. It also protects the top of your truck's tailgate.

DOOR SILL SHIELDS
Help protect your door sill from damage during entry and exit with these custom-molded, scratch-resistant shields designed specifically for your Sierra.

*Not appropriate for driver's use while vehicle is in motion.
**Service fees apply. Available only in the 48 contiguous states. Visit gm.xradio.com for details.
† Cargo and load capacity limited by weight and distribution.

BRUSHED ALUMINUM CARBON FIBER GRAY LEATHER BURL WOOD

INTERIOR TRIM KITS
Personalize your Sierra with the center console and instrument panel interior trim kits. Available in a wide selection of colors and textures designed to replace the factory trim pieces. Sierra Classic shown with Carbon Fiber trim.

**SOFT TONNEAU COVER**

Shield your pickup bed and its cargo from inclement weather with this soft tonneau cover. Its aluminum frame securely attaches to the bed of your Sierra with a clamp system that allows you to open the tailgate with the cover on.

**BED TIE-DOWN HOOKS**

Enhance the cargo* capability of your Sierra with these bed tie-down hooks that are flush-mounted into the stake pockets. They recede out of sight when not in use. Available in black and stainless steel.

**SPORT TENT**

Use this lightweight, water-resistant nylon sport tent to convert your Sierra into a camper in minutes. Designed specifically to fit your vehicle's contours, it features a form-fitted waterproof floor that extends onto the tailgate.

**BED MAT**

Reduce cargo shifting with this easy-to-install, non-skid, nylon-reinforced rubber bed mat designed to fit the contour of your Sierra precisely.

**BED-RACK SYSTEM***

This innovative bed-rack system starts with the base rail package, including two base rails that easily attach to the stake pockets. Several flexible packages that build on this base are also available. They include: bed divider package, overhead rail system, cargo tie-down package, and the toolbox mounting kit.

**TUBULAR SIDE RAILS**

Protect the bed rails of your Sierra with these stylish side rail kits. Constructed of 2-inch steel tubing. Available in a lustrous chrome, brushed aluminum, or black powder-coated finish.

**BED WEB NET**

Help contain loose large, lightweight items in your Sierra with this heavy-duty bed web net. Stretchable cords radiate from a stainless steel center ring, focusing the net's strength at the center of the load where it's needed. Includes mounting hardware for easy installation.

**BED EXTENDER**

Stretch the capacity* of your cargo bed with this bed extender. Compatible with bed liners and tonneau covers, it swings out to provide additional functional length over an open tailgate, or swings in to create a contained cargo area.

**TAILGATE LINER**

Shield the inside of the tailgate of your Sierra from scratches and other damage with this custom-molded, patterned tailgate liner that fits over the painted finish.

**BED RUG**

Designed specifically for the contours of your Sierra, this fiber bed rug resists water, stains, solvents, and chemicals. Its molded foam backing helps protect your truck bed from scratches. Features the GMC logo.

**ENDGATE LOCK PACKAGE**

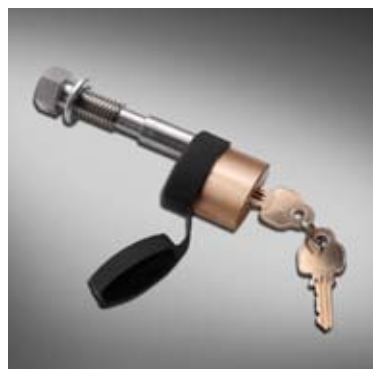

Protect the tailgate of your Sierra and your cargo with this simple, secure, and easy-to-use painted, hardened-steel endgate lock package. Includes anti-theft fasteners that mount in the recess underneath the handle with a convenient raised lock.

**HITCH-MOUNTED BICYCLE CARRIER***

This hitch-mounted bicycle carrier fits easily into the hitch on your Sierra to hold up to four bicycles. A hand-operated tilt-down lever allows access to the cargo area without removing the carrier. Requires a hitch-mounted license plate holder.

**HITCH-MOUNTED SKI CARRIER***

Holds up to five pairs of skis or four snowboards, depending on equipment style. Hand-operated tilt-down lever allows access to the cargo area. Requires hitch-mounted bicycle carrier and license plate holder.

**LOCKING HITCH PIN**

Protect the trailer hitch carrier products for your Sierra with this heavy-duty trailer locking hitch pin. Securely locks your ball-mount assembly or your hitch-mounted bicycle or ski carrier to your vehicle's trailer hitch receiver.

**HITCH RECEIVER COVER**

This custom-molded trailer hitch receiver cover fits into the trailer hitch receiver for your Sierra to hide the receiver opening after you have removed the ball-mount assembly. Features the GM logo.

**HITCH BALL-MOUNT ASSEMBLY****

Ball-mount package contains the tubular steel-welded ball mount, retainer pin, and clip for easy installation and removal. Available in five different height offsets to meet your towing needs.

**HITCH BALL ASSEMBLY****

This trailer hitch ball assembly for your Envoy includes a chrome tow ball, a washer, and a retaining nut designed to fit a ball-mount assembly, sold separately. Tow ball available in various sizes.

**HITCH TRAILERING PACKAGE****

This welded structural steel trailer hitch package for your Sierra features a standard receiver that fits most ball-mount assemblies. Includes a wiring harness.

**TRAILER WIRING HARNESS ADAPTERS**

Use your trailer wiring harness outlet to power devices through the custom 7-pin trailer outlet to a 12V power outlet. The outlet can power any 12V device. The 7-pin to flat 4-pin adapter connects a trailer harness that has a flat 4-pin connector.

*Cargo and load capacity limited by weight and distribution.

**Maximum trailer-weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers, and cargo will reduce the maximum trailer weight your vehicle can tow.
