

YUKON AND YUKON XL ACCESSORIES

GMC PROFESSIONAL-GRADE ACCESSORIES

GMC genuine dealer-installed Professional-Grade accessories enhance the style and functionality of your Yukon. The Yukon shown above is outfitted with six-spoke, 20-inch chrome wheels,* chrome "tow" hooks,** a Smoke-colored molded hood protector, side-window weather deflectors, and roof cross rails.

CK951
20-INCH FIVE-SPOKE CHROME WHEELS*

Featuring a lustrous chrome finish, with a choice of matching GMC logo center caps and chrome lug nuts.

CK948

CK945

22-INCH SIX TRI-SPOKE CHROME WHEELS* CK366

With a lustrous chrome finish, these large-diameter wheels feature chrome lug nuts and GMC center caps. Only available on Denali models.

MOLDED SPLASH GUARDS

Black, custom-molded splash guards fit directly behind the wheels. Rear guards feature the GMC logo. Denali splash guards are available in select body colors without the GMC logo.

ROOF-MOUNTED LUGGAGE CARRIER CROSS RAIL PACKAGE

The Yukon at right is equipped with the roof-mounted luggage carrier cross rail package and a hard cargo carrier! The cross rails attach to the factory roof rack and use industry-standard T-slot attachments for mounting accessories. Available in black or bright finish. The hard cargo carrier, manufactured by Thule,® attaches to the accessory cross rails. It's lockable, impact/UV resistant, and opens at the side.

TAILLAMP GUARDS

Stainless steel/chrome taillamp guards add style while protecting the lenses. Also available in black.

TUBULAR ASSIST STEPS

6" oval stainless steel steps with chrome plating and textured step pads assist with getting in and out of your Yukon.

CHROME FUEL DOOR

Enhance the appearance of your vehicle with a chrome fuel door.

FRONT FASCIA EXTENSION

The color-keyed fascia extension frames the grille and features a chrome lower accent. Available in select body colors.

DUAL HEADREST DVD

LCD monitors and DVD players are mounted on the rear of the front-seat headrests. Wireless headphones allow rear passengers to enjoy the audio.

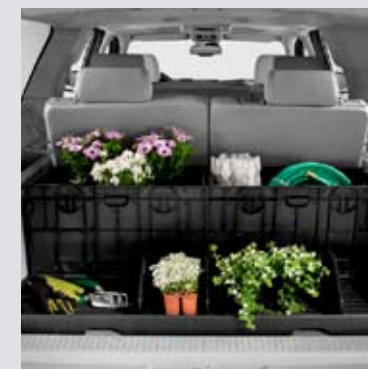

HITCH-MOUNTED BICYCLE CARRIER†

Holds up to four bicycles. A tilt-down lever allows access to the cargo area without removing the carrier. Requires a hitch-mounted license plate holder.

HITCH-MOUNTED SKI CARRIER†

Holds five pairs of skis or four snowboards. A tilt-down lever allows access to the cargo area without removing the carrier. Requires a hitch-mounted bicycle carrier and license plate holder.

CARGO ORGANIZER†

With plenty of compartments to keep your stuff organized, this cargo organizer is built for rugged durability. Available for the Yukon XL and Yukons ordered without a third-row seat.

TRAILER HITCH CLOSEOUT

This custom-molded closeout hides the trailer hitch receiver when not in use. Available in all body colors. Not available for Yukon Denali or Yukon XL Denali.

MOLDED HOOD PROTECTOR

Help deflect minor road debris and insects with this molded hood protector. Available in Smoke, chrome, and select body colors.

*GM Accessory larger-size wheel and TPC tire systems are designed as a system and must be used as such. Larger-size wheel and tire system may require a new spare tire, and may impact your vehicle's performance. For example, depending on road surface and driving conditions: You may experience a change in handling, stability, and braking performance, tire or road noise, and ride comfort. You may note an increase in tire-tread wear and/or steering effort, and a decrease in fuel economy. In snow or icy conditions or during off-road use, you will experience reduced traction. Tire chains cannot be used due to insufficient clearance for the chains, and your vehicle will not be compatible with snowplow equipment. These changes in vehicle performance are not covered by the GM Bumper-to-Bumper New-Vehicle Limited Warranty. **Hooks are for vehicle recovery only. To avoid the risk of injury, never use recovery hooks to tow the vehicle. For more information, see the "Recovery Hooks" section of your GM Owner's Manual. † Cargo and load capacity limited by weight and distribution.

**ROOF-MOUNTED LUGGAGE CARRIER
CROSS RAIL PACKAGE – LUXURY**

These bright cross rails, available in pairs, are larger than most production models and serve as the base mount for accessories that help make your Yukon a one-of-a-kind masterpiece. Luxury cross rails (shown), for Denali only.

CAT-BACK EXHAUST SYSTEM*

Constructed of T304 stainless steel with free-flowing mandrel bent tubing. Features semi-polished muffler and two distinctive sounds that meet all federal decibel requirements: Touring (more aggressive than stock) and Performance (much more aggressive).

EXHAUST TIP

Made from highly polished, T304 stainless steel. For use only with the production exhaust system. Features GMC logo. Excludes Denali.

OUTSIDE DOOR HANDLES

Add a luxurious touch to your Yukon with these stylish outside chrome door handles to replace the stock models.

SIDE-WINDOW WEATHER DEFLECTORS

Let fresh air in and help keep rain, sleet, and snow out with these custom-molded side-window weather deflectors.

ROOF-MOUNTED SOFT CARGO CARRIER**

PVC-supported polyester fabric with sealed, water-resistant seams. Opens from two sides with double-pull zippers. Easily attaches to the factory roof rack. Features GMC logo.

ROOF-MOUNTED HARD CARGO CARRIER**

This lockable carrier, made by Thule, is impact and UV resistant. The long box opens at the side, while the short model opens at the back. Requires the use of accessory integrated cross rails.

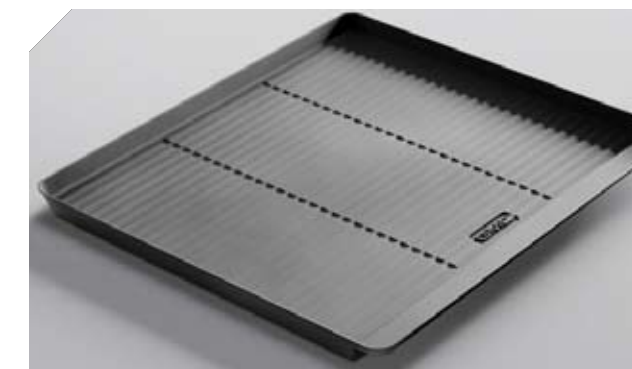

PREMIUM ALL-WEATHER FLOOR MATS

These deep-ribbed floor mats provide an exact fit to the floor of your Yukon/Yukon XL. Available in black. GMC logo on the front mats.

OVERHEAD PORTABLE DVD

This portable DVD player integrates perfectly into the overhead of your vehicle. Rear-seat passengers will enjoy it en route. Then remove it for use outside your vehicle. Must be used with portable DVD player docking station.

CARGO TRAY

Custom-molded with a non-skid surface to fit the exact dimensions of your vehicle. Features a 2-inch raised outer lip that helps contain cargo and spills. Features the GMC logo.

* When properly installed, this system will comply with local and state noise ordinances limiting noise from modified exhaust systems to 95 dbA. See your dealer for more details.
** Cargo and load capacity limited by weight and distribution.
